

# REACH INTO THE CLASSROOM

**With REACH into the Classroom, the REACH Museum comes to your class! REACH Museum educators support and enhance the classroom environment by bringing materials, resources, and artifacts from the REACH Museum to cultivate learning!**

We have developed a variety of programs designed for the classroom environment. Choose educational topics from our curriculum, Courses and Tributaries, to build your customized program. REACH Museum educators will come to your school and provide a presentation and activity or lab for your classes. Please allow 15 minutes for materials set up before the program begins.

Cost for a site visit is \$90 (ranging from 60-90 program minutes). The cost for multiple hours at the same site is \$60 per hour. Some lab activities may include an additional surcharge for materials that are consumed. This will be arranged on a case-by-case basis prior to booking. Schools outside of the Tri-Cities range of Richland, Kennewick, Pasco, and West Richland will be charged mileage at the federal rate (56 cents per mile)

**Recommended that no more than 2 classrooms combine at one time.**
