

Spring Seed Swap

March 18th
11 AM - 2 PM

Spring is on its way, so it's time to dig in! Bring your extra seeds to share, and take home others to plant. Help The REACH prepare the Education Garden while learning about the different plants that grow in Washington.

Contact Pauline @ (509) 943-4100 Ext. 113 or paulines@visitthereach.org for more information.

Saturdays at the REACH
Jan. 21st Feb. 19th March 19th
